Our Vision:

Soria Moria's vision is

~ To become the first choice of accommodation for independent travelers and small groups visiting Cambodia, by offering travelers a unique experience of true hospitality through combining the best of local history, culture and environment with international standards of service and facilities.

~ To become the first choice of workplace for Cambodian locals, by focusing on quality and development of the staff through best business practice, following labor laws, in addition to offering on-site hospitality training and education on a higher level.

More than just a hotel...

The initial idea of Soria Moria was to combining a profitable business opportunity with a strong focus on helping the community in which we work through various means, especially by contribution to economic development. We actively support and encourage the interaction of guests and the neighboring environment, and by implementing this approach, we would like to create a win-win-win situation for all parties involved, where both the tourists, the local environment and the business itself will benefit.

...at the end of the day it's the people that makes a place special!
